Monthly Blood Drive

The blood supply in the U.S. is critically low. That's why it is more important than ever to consider donating blood.

Helendale CSD has teamed up with LifeStream Blood Bank to hold monthly blood drives at the CSD Community Center. The blood drives will be held from 10 am to 4:00 pm on the last Tuesday of every month.

Conservation

Corner

Check for a leaky toilet – place a few drops of food coloring in the tank of the toilet, do not flush the toilet for at least 15 minutes. If the water in the toilet shows from the food coloring, you have a leak.

Check the overflow pipe and the flapper valve, one or both may need to be replaced.

After making the repairs, do the test again to ensure the leak has been fixed!
