Mattress Recycling

The Helendale Thrift Store accepts used mattresses and box springs for free and recycles them. Please drop off Monday through Saturday from 11:00 am to 4:30 pm.

Please note: Customers must wrap or bag mattresses and box springs in order to be accepted. This will help to ensure the health and safety of our staff. Bags are available at the CSD for \$2.50.

We are proud to be a ByeByeMattress Collection Site! Thanks to Mattress Recycling Council's ByeByeMattress program, we are diverting mattresses and box springs from landfills and deterring illegal dumping. The Mattress Recycling Council's ByeByeMattress program recycles more than 1.5 million mattresses each year in California.

What happens to your mattress after you drop it off with us? We send it to ByeByeMattress where it gets cut open and separated into steel, foam, fiber and wood. Those materials get recycled into many other useful products such as carpet padding, insulation or mulch.

Monthly Blood Drive

The blood supply in the U.S. is critically low. That's why it is more important than ever to consider donating blood.

Helendale CSD has teamed up with LifeStream Blood Bank to hold monthly blood drives at the CSD Community Center. The blood drives will be held from 10 am to 4:00 pm on the last Tuesday of every month.

Sprinklers

Most of the water used in a home with landscaping is used outdoors by the irrigation system.

Here are a few tips on how you can save water:

- Check the irrigation system for leaks on a regular basis.
- Follow a lawn watering schedule for your watering needs.
- Reduce your turf size by replacing it with low water use and/or native plants that use less water.
