Date: January 31, 2019
TO: Board of Directors
FROM: Kimberly Cox, General Manager
SUBJECT: Agenda item #3
Discussion Only Regarding Enforcement of Park Rules and Public Safety

Staff recommendation:

None.

Staff Report:

Minimal rules have been established for the park to address safety and sanitary conditions. The continuous violation of said rules has been a concern of Staff. The two simple rules: 1) Speed limit of 10 miles per hour; and 2) No dogs on the park.

The occasional dog on a leash brought to a concert or a sports game is not the issue, however, there are certain individuals who regularly bring their dogs to the park and release them to run about and do their business. This creates a sanitary condition for the athletes as the dogs urinate and defecate on the fields.

Speeding cars into and out of the park create a concern for the safety of other motorists and children at the park. The speed limit is posted but regularly ignored.

The purpose of this discussion is to get direction from the Board regarding how aggressive the Staff should be in enforcing these rules. There is also a question as to what breadth of authority Staff has to gain compliance in these matters.

Further, there is a general community-wide concern regarding public safety. Staff would like to seek input from the Board regarding safety and security for the park and the community in general. Parks can attract undesirable activity and the Community Park is in a relatively remote location.

Attached for your information are the latest statistics for the community from the Sheriff's Department.
