## Helendale Community Services District

Date: July 18, 2019

TO: Board of Directors

FROM: Kimberly Cox, General Manager

SUBJECT: Agenda item #5

Public Hearing to Receive Comments Regarding Possible Adoption of Resolution 2019-11: A Resolution of the Board of Directors of the Helendale Community Services District Authorizing the Establishment and Continuation of Collection of

Water and Sewer Standby Charges for Fiscal Year 2020

#### STAFF RECOMMENDATION:

Staff recommends approval of Resolution 2019-11. Additionally, staff requests authorization to make any final adjustments based upon payments or other discovery prior to submittal to the County.

#### STAFF REPORT:

The action requested of the Board is to receive any additional public comments during the hearing and provide authorization to Staff to forward the standby charges to the County to be collected with the property taxes. This item that comes before the Board on an annual basis.

A standby fee could best be described as a fee for the availability of service. The fee is appropriate due to the fact that capacity in the system is reserved for that parcel and cannot be allocated to another user. Most of these parcels have water and sewer services in close proximity of the property line and the service is available for connection, upon development, to the parcel. This list of parcels who pay the standby fee is modified as new develop occurs in in-fill lot within the Silver Lakes housing area.

The Standby Fee is a minimum of \$30.00 for up to a one-acre parcel and increased by \$30.00 for every additional acre. The estimated amount of standby fees the District will receive for fiscal year 2019- \$33,000.

As a means of collection, as a public agency and consistent with LAFCO 2996, the District is allowed to utilize the County property tax process for collection of various forms of debt as the County has historically done. This would include the annual collection of sewer and water standby fees. An initial list has been developed and Staff will continue to refine this list prior to submittal to the County by August 12, 2018.

**FISCAL IMPACT:** Estimated revenue of \$33,000.

POSSIBLE MOTION: Approve Staff recommendation and adopt Resolution 2019-11.

**ATTACHMENTS:** Resolution 2019-11

## Exhibit A Water Standby Fee

 $5.6 \text{ Acres} = 5 \text{ EBUs for the first five acres} + 0.5 \text{ times the remaining fractional acreage of } 0.6 = (0.5 \times 0.6) = 0.3 \text{ EBUs Total EBUs} = 5.3 \text{ EBUs}$ 

The total number of EBUs equals the sum of all EBUs assigned to Undeveloped Parcels. The existing Standby Charge, equal to \$30 per EBU, is then applied to each parcel's individual EBUs to determine the parcel's proportionate benefit and total obligation. The following formulas are used to calculate each parcel's annual Levy Amount.

Standby Charge per EBU x Parcel's EBUs = Parcel's Levy

### **EXAMPLE:**

5.6 Acres = \$30 x 5.3 EBUs = \$159 .5 Acres - \$30 x 1EBU = \$30 1 Acre = \$30 x 1EBU - \$30

### Exhibit B Sewer Standby Fee

 $5.6 \text{ Acres} = 5 \text{ EBUs for the first five acres} + 0.5 \text{ times the remaining fractional acreage of } 0.6 = (0.5 \times 0.6) = 0.3 \text{ EBUs Total EBUs} = 5.3 \text{ EBUs}$ 

The total number of EBUs equals the sum of all EBUs assigned to Undeveloped Parcels. The existing Standby Charge, equal to \$30 per EBU, is then applied to each parcel's individual EBUs to determine the parcel's proportionate benefit and total obligation. The following formulas are used to calculate each parcel's annual Levy Amount.

Standby Charge per EBU x Parcel's EBUs = Parcel's Levy

### **EXAMPLE:**

5.6 Acres = \$30 x 5.3 EBUs = \$159 .5 Acres - \$30 x 1EBU = \$30 1 Acre = \$30 x 1EBU - \$30

Discussion and Possible Action Regarding Adoption of Resolution 2019-12: A Resolution of the Board of Directors of the Helendale Community Services District Confirming, or Modifying and Then Confirming, the Report of Delinquent Water, Sewer and Trash Collection User Charges for the Purpose of Collecting Said Charges

on the San Bernardino County Tax Roll

#### **Staff Recommendation**

Staff recommends approval of Resolution 2019-12. Additionally, staff requests authorization to make any final adjustments based upon payments or other discovery prior to County submittal.

#### **Staff Report**

Government agencies have the ability to place delinquent accounts on to the County tax rolls via a resolution of the Board of Directors and providing a list of parcel numbers to the County Assessor Tax Collector. To date there are nine parcels with outstanding balances. The estimated total amount that is delinquent is \$7,694.39. A list of the affected parcels is attached to this staff report. A letter was sent to each property owner in early June notifying them of this pending action. The District has placed a lien on the various parcels related to the delinquent amount but has not received payment. In the past, payment is usually collected when the house has sold or been refinanced.

Placing the overdue amount onto the County tax bill improves the chances of collection. Last fiscal year the District submitted \$8,195.80 in liens for collection and has received \$3,515.89 from the delinquent accounts collected through the property tax mechanism.

The attached Resolution 20189-12 describes the authority of the District to place delinquent accounts for services onto the County tax bill. Copies of the resolution and the accompanying reports and list of parcels are to be forwarded to the County Assessor/Tax Collector and to the Auditor Controller by no later than August 12, 2018.

At the public hearing, the Board will hear and consider any and all objections or protests to the placement of the delinquent charges for service for water, sewer and trash collection on the San Bernardino County tax bill. The accounts have until the close of this public hearing to pay the District in full before the delinquent amounts are placed on the tax roll.

<u>Fiscal Impact:</u> Estimated collection of special assessment revenue of \$235,278.00 **Possible Motion:** Approve Staff recommendation and adopt Resolution 2019-12.

Public Hearing to Receive Comments Regarding Possible Adoption of Resolution 2019-13: A Resolution of the Board of Directors of the Helendale Community Services District Confirming, or Modifying and Then Confirming, the Report of Delinquent Water, Sewer and Trash Collection User Charges for the Purpose of

Collecting Said Charges on the San Bernardino County Tax Roll

### STAFF RECOMMENDATION

Staff recommends approval of Resolution 2019-13. Additionally, staff requests authorization to make any final adjustments based upon payments or other discovery prior to County submittal.

### STAFF REPORT

LAFCO Resolution 2951 determined that the Helendale Community services District was the successor agency for County Service Area 70, Improvement Zones B and C. In addition, it expressly states that all previously authorized charges, fees and assessments, and/or taxes of CSA 70 B and C currently in effect shall be continued as assumed by the District as the successor agency.

Prior to the adoption of the LAFCO resolution, the territory within CSA 70 B and C was subject to a refuse disposal land use fee that had been fixed, levied, and imposed upon such lands by the County of San Bernardino prior to 1978 and consistent with the California Integrated Waste Management Act of 1989, in order to discourage illegal dumping and to offset the cost of disposal of waste from the Helendale community. LAFCO Resolution 2927 and Resolution 2951 authorize the District to collect, transfer, and dispose of solid waste and provide solid waste handling service, including, but not limited to, source reduction, recycling, and composting activities, pursuant to Division 30 of the California Public Resources Code. Demolition waste, tires, hard to handle and special handling items are excluded from the disposal fee.

In November 2010, the District and San Bernardino County entered into a Solid Waste Fee Transfer Agreement under which the District continued and assumed the same Refuse Disposal Land Use Fee as the successor agency to County Solid Waste Management Division.

The District is authorized to fix the land use fee using San Bernardino County Land Use Codes. Exhibit A of Resolution 2019-13 documents the codes previously used by San Bernardino Solid Waste Management. The Land Use Codes, Tax Rate Areas (Traps) and Assessor Parcel Numbers (APNs) were provided by the Assessor and Solid Waste Management. The estimated total amount to be assessed is \$235,278.00 from 2,675 parcels.

Resolution 2019-13 authorizes the General Manager to take any and all actions necessary to carry out the intent of the Board and to cause the levy of the special assessment for fiscal year 2019-20. If a charge becomes delinquent, the amount of the delinquency and interest and penalties shall constitute a lien on the property.

At the public hearing, the Board will hear and consider any and all objections or protests to the imposition of the land use fee.

Fiscal Impact: Estimated collection of special assessment revenue of \$235,278.00

Possible Motion: Approve Staff recommendation and adopt Resolution 2019-12.

### **RESOLUTION NO. 2019-13**

# A RESOLUTION OF THE BOARD OF DIRECTORS OF THE HELENDALE COMMUNITY SERVICES DISTRICT AUTHORIZING THE ESTABLISHMENT AND CONTINUATION OF COLLECTION OF REFUSE DISPOSAL LAND USE FEES FOR FISCAL YEAR 2019-2020

**WHEREAS**, the Helendale Community Services District ("the District") is a Community Services District organized and operating pursuant to Government Code 61000 et seq.

WHEREAS, on or about December 4, 2006, the Local Agency Formation Commission of the County of San Bernardino ("LAFCO") adopted Resolution No. 2951 ("Resolution No. 2951") which determined that the District is the successor agency to County Service Area 70, Improvement Zones B and C ("CSA 70 B&C").

WHEREAS, Condition No. 10 of LAFCO Resolution No. 2951 expressly states that "[a]II previously authorized charges, fees, assessments, and/or taxes of [CSA 70 B&C] currently in effect shall be continued and assumed by the [District] as the successor agency in the same manner as provided in the original authorization pursuant to the provisions of Government Code Section 56886(t)."

WHEREAS, Government Code Section 56886(t) provides that LAFCO Resolution No. 2951 contains the exclusive terms and conditions for the change of organization from CSA 70 B&C to the District as it relates to the "extension or continuation of any previously authorized charge, fee, assessment, or tax by [the District as the] successor local agency in the affected territory."

WHEREAS, prior to the adoption of LAFCO Resolution No. 2951, the territory within CSA 70 B&C was subject to a refuse disposal land use fee that had been fixed, levied, and imposed upon such lands by the County of San Bernardino ("the County") pursuant to the California Integrated Waste Management Act of 1989 (Division 30 of the California Public Resources Code) ("the Act") in order to discourage illegal dumping and to offset the cost of disposal of waste from the Helendale community (the "Refuse Disposal Land Use Fee").

WHEREAS, on or about June 21, 2006, LAFCO adopted Resolution No. 2927 ("Resolution No. 2927") making determinations on and approving the incorporation of the District, which was subsequently approved by the electorate at the November 7, 2006, general election and confirmed by LAFCO pursuant to its adoption of Resolution No. 2951.

WHEREAS, Resolution No. 2927 and Resolution No. 2951 authorize the District to collect,

transfer, and dispose of solid waste and provide solid waste handling service, including, but not limited to, source reduction, recycling, composting activities, pursuant to Division 30 (commencing with Section 40000), and consistent with Section 41821.2 of the Public Resources Code.

WHEREAS, on or about July 21, 2010, LAFCO adopted Resolution No. 3099 ("Resolution No. 3099") affirming the District's authorization to (1) collect, transfer and dispose of solid waste and provide solid waste handling service, and (2) continue and assume the Refuse Disposal Land Use Fee in the same manner as provided in the original County authorization, pursuant to Condition No. 10 of Resolution No. 2927 and Resolution No. 2951.

WHEREAS, on or about November 16, 2010, the District and the County entered into a Solid Waste Fee Transfer Agreement ("Fee Transfer Agreement") to provide for the terms and conditions under which the District will continue and assume the Refuse Disposal Land Use Fee.

WHEREAS, pursuant to the legal authority set forth above, the District is authorized to fix before August 10 of any given year a Refuse Disposal Land Use Fee on residential parcels within its jurisdiction entitling the owners of such parcels to utilize refuse disposal sites without the payment of any pay-at-the gate fee for ordinary refuse generated on such residential property.

WHEREAS, pursuant to the legal authority set forth above, the District's Board of Directors ("the Board") may establish the Refuse Disposal Land Use Fee according to San Bernardino County Assessor's Land Use Codes, and the benefit derived or to be derived from the use of solid waste facilities or services for ordinary refuse (excluding demolition waste, tires, and hard to handle and special handling items) generated on the parcel of property for which the Refuse Disposal Land Use Fee is paid.

WHEREAS, the Board wishes to continue, extend, and assume all previously authorized Refuse Disposal Land Use Fees that had been fixed, levied, and imposed upon lands within the jurisdictional boundary of the District.

WHEREAS, pursuant to the Fee Transfer Agreement, the County adopted a fee ordinance effective July 1, 2011, which excluded the areas within the jurisdictional boundaries of the District from assessment by the County of the Refuse Disposal Land Use Fee.

WHEREAS, beginning on or about July 4, 2019, the District published a Notice of Public Hearing concerning the Board's intent to adopt the Refuse Disposal Land Use Fees for 2019-2020 in a newspaper of general circulation within the District once a week for two successive weeks pursuant to the Act and Government Code Section 6066.

WHEREAS, on July 18, 2019, at 6:30 p.m., at the District offices located at 26540 Vista Road, Suite C, Helendale, California, the Board held a public protest hearing to hear and consider any and all objections or protests regarding the imposition of the Refuse Disposal Land Use Fee, which hearing was duly conducted in the manner set forth by law.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Helendale Community

### Services District as follows:

- 1. The public interest and necessity requires the Board to adopt this Resolution hereby fixing, levying, imposing, and collecting a Refuse Disposal Land Use Fee on all properties within the District's jurisdictional boundaries in accordance with, and in the amounts set forth in, Exhibit "A" attached hereto and incorporated herein by this reference, pursuant to applicable law, including but not limited to the pertinent provisions of the Act, Government Code Section 56886(t), LAFCO Resolution Nos. 2927, 2951, and 3099, and the Fee Transfer Agreement.
- 2. The Refuse Disposal Land Use Fees hereby levied by the Board are a continuation of the Refuse Disposal Land Use Fees previously charged by the County that have been transferred to the District in accordance with the Fee Transfer Agreement and LAFCO Resolution Nos. 2927, 2951, and 3099 granting the District the active power and authority for refuse collection as the successor agency.
- 3. The Refuse Disposal Land Use Fees hereby adopted meet the definition of the exception of a tax as defined in Proposition 26 passed November 3, 2010, and amending Article XIIIC of the California Constitution. The exceptions met by this fee are: (a) a charge imposed for the specific benefit conferred or privilege granted directly to the payer that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege; (b) a charge imposed for a specific government service or product provided directly to the payer that is not provided to those not charged and which does not exceed the reasonable costs to the local government of providing the service or product; and/or (c) a charge imposed for the entrance to our use of local government property, or the purchase, rental, or lease of local government property. The District has examined the impact of Proposition 26 on fees for solid waste disposal services and has concluded the three exceptions discussed above are applicable and do not violate Proposition 26.
- 4. The Board hereby authorizes the District's General Manager to take any and all actions necessary to carry out the intent of the Board as set forth herein, and to cause the Refuse Disposal Land Use Fees fixed and established herein to be collected at the same time, and in the same manner, as the levying of special assessments on the 2019-20 San Bernardino County Tax Roll, and/or to be otherwise collected in accordance with all legally-permissible methods available under applicable law.
- 5. If any Refuse Disposal Land Use Fee hereby adopted becomes delinquent, the amount of the delinquency, together with any interest and penalties thereon, shall constitute a lien on the affected property to the fullest extent legally allowable under applicable law.

Discussion and Possible Action Regarding Expansion of Asphalt Parking Area at

Helendale Community Center

### STAFF RECOMMENDATION

Staff seeks additional input from the Board.

### **STAFF REPORT**

In November the Board asked Staff to provide an evaluation of costs for paving an area north of the Community Center. This area would provide some additional parking for events at the Community Center as well as a new area for the weekly Farmers' market.

Attached for the Boards' consideration are three options for paving that include 121 to 243 parking spaces each 10'x20' in size. A current estimate for paving 40,000 square foot area would be \$88,000. To pave an 80,000 square foot area would be \$176,000. Striping the parking lot would range f rom \$1000 to \$1500. Paving would consist of three inches of asphalt material over native soil with the drive areas at the roadway to include some additional base material. At least two of the trees in the memorial grove would need to be relocated to allow for use of the second curb cut to the north of the area as depicted on the drawings. The fence line would also need to be modified slightly. In addition, a retention basin what is of minimal depth would need to be located in one area of the field adjacent to the parking area for water retention as required by county codes, if applicable.

There would need to be some level of county building and safety approval depending upon the size; and possibly a Stormwater Pollution Prevention Plan if the area is more than one acre of disturbance. This would also trigger Best Management Practices (BMP's) to be used at the site up to and including straw waddles around the construction area.

Grading of the area will be required, however, Staff does not yet have an estimate pending discussion with the Board on the desired project size and completion of the engineering drawings depicting elevations.

#### FISCAL IMPACT:

### Why do you want to serve on the SDRMA Board of Directors? (Response Required)

I am a current Board member. I would like to be elected to a second term because:

- 1. As a board member of Groveland CSD, I am particularly aware of the great value that smaller districts get from SDRMA, and I'd like to continue to do my part to make sure that this important agency continues to operate smoothly and stably into the indefinite future.
- 2. The insurance market in California (and nationwide) is going through a period of rapid change. The Board and staff are engaged in a major re-evaluation of SDRMA's approach to fulfilling its mission of providing cost-effective risk management services to it members. I believe that it is important to maintain Board continuity in this effort.
- 3. SDRMA Board members are either board members ("electeds") or employees of a member agency. I think there is value in having a balance between elected and employee Board members. The Board seats that are NOT up for election are currently 3 employees / 1 elected. I'd like to make sure the new Board has at least 2 elected members.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

- 1. SDRMA Board Member since 2016. This year (2019), I serve as Secretary. During our "no CEO" period in late 2017 - early 2018, I was a member of the ad hoc Personnel Committee. I am also a member of the Alliance Executive Council, and a backup member of the Legislative Committee.
- 2. Groveland CSD Board Member since I was appointed in June 2013. For the years 2014-2018, I served as Board President. (We finally implemented mandatory rotation of the office in 2019).
- 3. Member of the Board of Southside Community Connections, a local nonprofit in Groveland that provides educational, social, and recreational services to seniors, as well as free transportation to those who cannot drive.
- 4. Board Member (currently Treasurer) of Pine Cone Performers, a local choral and acting group, since 2010.
- 5. Back during my work life, I was a corporate representative on an IEEE standards committee concerned with wireless networking. It was very educational being on a committee where the members had widely differing (competing) goals.

What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)

History: BS Physics, MS Computer Science. 3 years in USAF. 30 years in the semiconductor industry, first as an engineering manager, later as a business unit manager. Now retired (so I have plenty of time).

Skills, etc.: Very familiar with financial reports, cost accounting, quantitative analysis. Working knowledge of modern computer and communications technology. Managed distributed organizations with up to 150 technical people and up to \$120M in annual sales. Pretty good at listening to different views, and helping to achieve consensus (or, at least, compromise).

### What is your overall vision for SDRMA? (Response Required)

Well, obviously I support our (newly revised) vision statement: "To be the exemplary public agency risk pool of choice for California special districts and other public agencies". In order to achieve this vision, I believe the key issues are:

- 1. Maintain long term financial stability. This includes ensuring that there is a fair allocation of cost versus risk across the pool membership.
- 2. Continue to retain / acquire highly qualified staff, and ensure that this is a desireable place to work.
- 3. Remember who are our target clientele, which in my opinion are small to mid-sized districts with limited options for insurance.
- 4. In light of ever-evolving California workers-compensation law, expand risk-management training even further than we now provide.
- 5. Maintain good relations with our re-insurers (who insulate us from catastrophe). In the long run, explore the possibility of joining a "captive" re-insurer to improve stability.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.

Why do you want to serve on the SDRMA Board of Directors?

I am a current Board member of SDRMA and feel that I have added my financial background to make better informed decisions for our members. As a Board member, I continue to improve my education of insurance issues and look forward to representing small District's and Northern California as a voice on the SDRMA Board. I feel I am an asset to the Board with my degree in Business and my 30 plus years' experience in accounting and auditing.

I understand the challenges that small District face every day when it comes to managing liability insurance, worker's compensation and health insurance for a few employees with limit revenue and staff. My education and experience give me an appreciation of the importance of risk management services and programs, especially for smaller District that lack expertise with insurance issues on a daily basis.

I feel I am an asset to this Board, and would love a chance to stay on 4 more years!

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization)

While serving on the SDRMA Board, I have been privilege to be Secretary of the Board for two years, and currently the Vice-President. I have served on CSDA's Audit and Financial Committee's for 6 years; I have served on the SDLF Board; Northeastern Rural Health Clinic Board; Fair Board; School and Church boards; 4-H Council and leader for 15 years; and UC Davis Equine Board. In the past 25 years, I have learn that there is no "I" in Board and it can be very rewarding to be part of a team that makes a difference for others.

As part of my many duties working with Herlong PUD, I worked to form the District and was directly involved with LAFCo, Lassen County Board of Supervisors and County Clerk to establish the initial Board of Directors and first Policies for HPUD. I have administered the financial portion of 2 large capital improvement project with USDA as well as worked on the first ever successful water utility privatization project with the US Army and Department of Defense. I am currently working on a 4.2 million grant from California for new infrastructure for the small District HPUD absorb through LAFCo in 2017. I am also the primary administrator of a federal contract for utility services with the Federal Bureau of Prison and the US Army.

What special skills, talents, or experience (including volunteer experience) do you have?

I have my Bachelor's Degree in Business with a minor in Sociology. I have audited Small Districts for 5 years, worked for a Small District for almost 15 years and have over 30 years of accounting experience. I am a good communicator and organizer. I have served on several Boards and feel I work well within groups or special committee. I am willing to go that extra mile to see things get completed.

I believe in recognition for jobs well done. I encourage incentive programs that get members motivated to participate and strive to do their very best to keep all losses at a minimum and reward those with no losses.

I have completed my Certificate for Special District Board Secretary/Clerk Program in both regular and advance course work through CSDA and co-sponsored by SDRMA. I have completed the CSDA Special District Leadership Academy and Special District Governance Academy. I am in the processes of getting my small District re-certified for their District of Transparency and hope one day to attain our District of Distinction.

I work for a District in Northeastern California that has under gone major changes from a Cooperative Company to a 501c12 Corporation, to finally a Public Utility District. I have worked with LAFCo to become a District. Also our small District consolidated another small District into our District. Through past experience I feel I make a great Board member representing the small districts of Northern California and their unique issues and will make decisions that would help all rural/small districts.

What is your overall vision for SDRMA?

For SDRMA to be at the top of the risk management field and to continue communicating and listening to the needs of all California Special Districts and meeting those needs at a reasonable price that Special Districts can afford. I would like to continue education and rewards for no claims and explore avenues of financial endeavors that will benefit our customers.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.
