Helendale CSD has teamed up with LifeStream Blood Bank to hold monthly blood drives at the CSD Community Center. The blood drives will be held from 10:00 am to 4:00 pm on the last Tuesday of every month.

**Check your water meter.** Pick a time when no one needs to use the water for a while and check your water meter before and after a set time period of time (15 minutes). If the meter does not read exactly the same, you probably have a leak..
