

Helendale CSD RC TRACK Ribbon Cutting & Inaugural RC Race Competition!

Helendale CSD is adding a new rc track at the Helendale Community Park.

The grand opening will be on March 14th at 9:30 am.

To celebrate the grand opening we are also holding a fun race competition (open to all scales). The competition will start at 10 am. There will be four divisions: under 7 years old, 8-10 years old, 11-16 years old and 17 and up.

Trophies will be awarded for winners in each division!

This event is free! You can pre-register for the race at:

<https://helendalecsd.recdesk.com/>

Or you can register on the day of the event from 9:00 - 9:30 am!

Manhole Project Update

Helendale CSD has approximately 32 manholes within Silver Lakes that were affected by the County repaving project, which left them slightly below grade. Staff has repaired eleven manholes and continues to work to bring the remaining ones even with the road surface. Some manholes throughout the community do not belong to Helendale CSD. Southern California Edison (SCE), Southwest Gas and Frontier Communications also have manholes in the roadway. Helendale CSD's manhole covers are notated with "Sanitary Sewer," Southern California Edison's will read "Edison" or "Electrical," and Frontier manholes will be marked with "Continental Tel. System." You can reach Southern California Edison at 1-800-655-4555 and Frontier Communications at 1-800-921-8101. If you have any questions or concerns, please contact the Wastewater Treatment Plant Manager, Alex Aviles at 760-951-0006.

Website Updates

We have been working hard to update our website and make it more user friendly. The website is now mobile friendly and easier to navigate. We will continue to add content and improve the sites usability for our customers!
