# FREE Landscape Workshops

## Irrigation Workshop

**When:** June 23rd **Time:** 10 am - 12 pm

This hands-on class will allow participants to put together a basic irrigation system in a classroom setting. Participants will be allowed the opportunity to glue PVC pipes together for themselves as well as be given basic irrigation design principles to help with troubleshooting poorly irrigated areas. We will also go over the steps it takes to design an in-line or point-source irrigation system as well as showing you how to convert your existing pop-up spray irrigation system into a water saving drip irrigation system easily.

## Plants, Trees and Shrubs Workshop

**When:** June 28 **Time:** 5 - 7 pm

In this class we will discuss:

- California native drought-tolerant plants
- Characteristics of popular trees & shrubs
- Rare dry climate plants
- Plant size and spacing
- Growth rate and hardiness

Workshops will be held at: 26540 Vista Rd. Suite C

## Consumer Confidence Report

The 2017 Consumer Confidence Report will be on Helendale CSD's website beginning in June. The link will be available in your June water bill. This report contains information on your drinking water, including statistics from hundreds of water quality tests performed throughout the year. This report is intended to inform and assure citizens that their drinking water is of the highest quality and meets all State and Federal water quality standards. Our staff takes great pride in providing top quality water to our customers. If you would like a written copy of your report or have any questions or concerns about your drinking water please contact Water Operations Manager, Craig Carlson at 760-951-0006.

## Thrift Store

The Helendale Thrift Store has tons of great items—from furniture to greeting cards we have it all! We have new items daily, so be sure to stop in often.

We also offer some great services like:

- Green Waste Drop off
- E-Waste Recycling
